Grading Policies for the CU Succeed Programs *****IMPORTANT, read carefully*****

Grades earned in CU Succeed courses become a part of a student's University of Colorado academic record and official transcript. Therefore, it is extremely important that a student earn at least a 'C' grade in CU Succeed courses. A grade of 'C-minus' or below could prevent a student from being admitted to any campus in the University of Colorado system, regardless of the student's high school GPA or college entrance exam scores. A 'C-minus' corresponds to a GPA of 1.70, and students must have a minimum of a 2.0 University GPA to be admitted to or remain in good standing at UCCS. To drop the course with a full refund of tuition, email dualcredit@uccs.edu by September 14, 2020. To withdraw from the course (student will receive a 'W' and there is no refund of tuition charges), email dualcredit@uccs.edu by the date at the top of this page.

Upon completion of high school, an official UCCS transcript can be ordered by visiting:

Colorado Guaranteed Transfer (GT) Pathways General Education Curriculum

GT Pathways courses, in which the student earns a C- or higher, will always transfer and apply to GT Pathways requirements in every Liberal Arts & Sciences bachelor's degree at every public Colorado institution. Note that these courses may not apply to some bachelor's degrees. You should always seek advising from the appropriate advisor at the college or university you plan to attend to ensure you are selecting the appropriate coursework for your degree and to ensure it will apply to those degree requirements.

An example of Guaranteed Transfer: HIST1530 = GT-HI1. For more information regarding Colorado GT Pathways please visit: <http://higher.ed.colorado.gov/Academics/Transfers/Students.html>

Cost of this CU Succeed course

The tuition for CU Succeed Online courses is \$550. This cost is substantially less than if the course was taken on the UCCS campus or through the regular UCCS Online system. Payment is due at the time of registration through UCCS. Late fees may be applied to past due balances.

FERPA

The Family Educational Rights and Privacy Act of 1974 (FERPA) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA deals specifically with the education records of students, affording them certain rights with respect to those records. Please understand UCCS cannot discuss your account with your parents or guardians unless the FERPA Consent is signed and filed by you, the student.
